We are a group of professionals doing business in and around the Catonsville, Maryland area. Because we like and respect one another, we find that providing each other excellent quality business leads comes easily and enthusiastically. What distinguishes us from other leads groups in the area is that we have fun – while we take joy in helping each other to build our business.

**We meet every Thursday
morning at 7:30 am at:**

**Cafe on the Grove
6 Hickory Street
Catonsville, MD**

*We do not meet if Baltimore or Howard County
Schools open late or close.*

We welcome new people who share our enthusiasm.
